## OVER-THE-COUNTER (OTC) CATALOG

### MEDICARE ADVANTAGE PLANS

Get the  
OTC items  
you need.

## **The Benefits of Easy Choice Health Plan Add Up.**

What is Easy Choice's OTC benefit? Simply put, we give you a monthly dollar amount; you spend it on some of the over-the-counter (OTC) items you use every day. It's that easy.

The OTC benefit is part of your health plan. Every month you can get brand-name or generic OTC medications and products like bandages, pain relievers, cold medicine, toothpaste, vitamins and much more.

You can use this catalog, then order online or by phone, and we'll ship your items right to your door.

Each plan offers different OTC benefit amounts. Check your Evidence of Coverage or Summary of Benefits for your specific benefit amount for your plan. Remember that your benefit and items are only for your use. **Use your benefit each month. It does not roll over to the next month.**

## **How Do I Use My OTC Benefit?**

There are two ways to get your items. No matter how you order them, we'll ship them right to your door. It's that easy. Allow 7-10 business days to receive your order.

Find the items you want in this catalog, then:

1. **Give us a call at 1-888-979-4319, TTY 711, Monday-Friday, 6:30 a.m.–8:00 p.m. Pacific.**
2. **Visit us at [www.easychoicehealthplan.com](http://www.easychoicehealthplan.com).** Log in using your member ID number and date of birth. You can find your member ID number on your Easy Choice member ID card.

## **To Get the Most Out of Your OTC Benefit:**

1. **Make sure to order your items every month. If you skip a month, the benefits don't carry over to the next month.**
2. **Use your monthly dollar amount to stock up on a variety of items by ordering different items every month.**

## What Can I Order With My OTC Selection?

### Eligible items

On the next few pages, you'll find a list of products. These are the items that you can order from us and have mailed to your home. Eligible items include but are not limited to: fiber supplements, first aid supplies, medicines, ointments, sprays with active medical ingredients that alleviate symptoms, topical sunscreen, supportive items for comfort such as knee braces and adult incontinence products, and mouth care such as dental floss and toothbrushes.

### Dual-purpose items

What are dual-purpose items? They're medicines and products that can be used for either a medical condition or for general health and well-being. You can get dual-purpose items as part of your OTC benefit if you use them to treat a specific medical condition and your doctor recommends the product or medicine. Talk with your doctor before buying dual-purpose items. For your convenience, we've marked dual-purpose items with a (†).

### Dual-purpose items include but are not limited to:

- Minerals and vitamins
- In-home testing and monitoring
- Hormone replacement
- Weight-loss items

Some items, under certain circumstances, may be covered under either Part B or Part D. For example, gauze may be covered under Part B when it is being used, as prescribed, to perform surgical wound dressing changes. For your convenience, we've marked these items with a (\*\*).

## What's not eligible?

The following categories and items listed are not eligible for the OTC benefit.

Non-eligible items include but are not limited to:

- Alternative medicines such as botanicals, herbals, probiotics and nutraceuticals
- Baby items such as diapers and formula
- Contraceptives such as birth control pills and spermicides
- Convenience and comfort items such as scales, fans and magnifying glasses
- Cosmetic items such as mouthwash, bad breath remedies, deodorants and teeth whitening
- Food products or supplements
- Replacement items such as hearing aid batteries and contact lens containers

## Items You Can Order From Us

Do you prefer lower-cost generics or familiar brand-name products? Your OTC benefit lets you make the choice! Look over the list of eligible items on the next few pages. You can order online or by calling us and telling us the ID numbers of the items you want. We'll send them to your home and deduct the amount from your monthly benefit.
